

Priya Raman

Senior Accountant, CPA

Profile

CPA with ten years in corporate accounting and audit. I run month-end close for a multi-entity group, keep reconciliations clean and like fixing the manual steps that slow a close down.

Experience

Senior Accountant at Northgate Foods Group, Chicago, IL

February 2021 - Present

- Own month-end close for five US entities and the intercompany eliminations
- Shortened the close from nine working days to six by moving accrual schedules into NetSuite and setting a fixed close calendar
- Prepare the schedules for the annual external audit; the last two audits closed with no adjustments from my areas
- Built the fixed asset register in NetSuite and retired the spreadsheet it replaced
- Partner with FP&A on the monthly variance review and explain movements in gross margin to the CFO

Audit Senior at Hale & Morgan LLP, Chicago, IL

September 2017 - January 2021

- Ran fieldwork on audits for manufacturing and retail clients with revenue up to \$400M
- Tested revenue, inventory and payroll controls and wrote the management letter points
- Supervised teams of two to four associates on each engagement

Audit Associate at Crane Whitfield LLP, Milwaukee, WI

September 2015 - August 2017

- Performed substantive testing on cash, receivables and fixed assets for nonprofit and manufacturing clients
- Prepared workpapers and reconciliations reviewed by audit seniors and managers
- Helped with year-end inventory counts at client warehouses

Education

B.S. in Accountancy at University of Illinois Urbana-Champaign, Champaign, IL

August 2011 - May 2015

Projects

NetSuite implementation

April 2021 - December 2021

Finance lead for moving the group from QuickBooks to NetSuite: chart of accounts design, data migration and user training for 12 people.

Volunteering

Volunteer Tax Preparer at VITA Free Tax Program, Chicago, IL

February 2019 - Present

Prepare federal and state returns for low-income families during tax season.
